

# BuzziLight

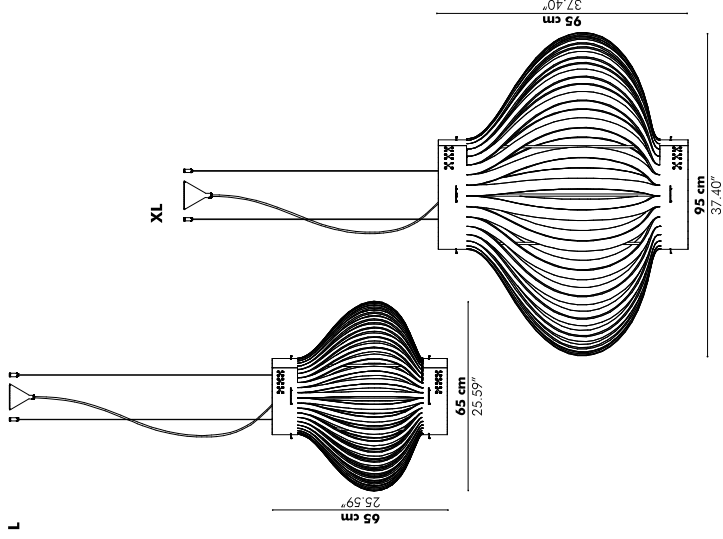

— by Sas Adriaenssens

## Lighting fixture in Buzzifelt

The BuzzLight is a striking phenomenon, whether on the ceiling or the floor. The strips of sound-insulating felt are fixed around a steel structure, allowing this light object to take on different shapes. Whether you opt for eye-catching fuchsia or stylish stone grey, the BuzzLight is a trendsetter in any space.

## Models/Dimensions

# BuzziLight Mono

— by Sas Adriaenssens

### Lighting fixture in Buzz!Felt

BuzziLight Mono is a new addition to the Buzz!light collection for people who know exactly what they want. Instead of two colours of Buzz!Felt, there is a single colour both inside and out. This straightforward piece comes with a LED bulb, making it firmly future-proof. This product provides not only a decorative lighting effect, but also a good acoustic performance.

## Models/Dimensions

## Finishes

- Metal frame always in RAL 9005 (black)
- One layer of Buzz!Felt
- Black or white face
- Black or white stitch or no stitch

## Mounting

Metal ceiling canopy and black fabric power cable incl.

Fixing System screw with 2 cables of 2 or 5 m (black or alu coloured)

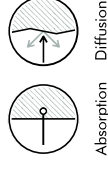

## Light

- Excl. lightbulb
- E27, max. 60W (EU-CE/CD certified)
- E26, max. 100W (US-cULus listed)

## BuzziLight Alhambra & Royal

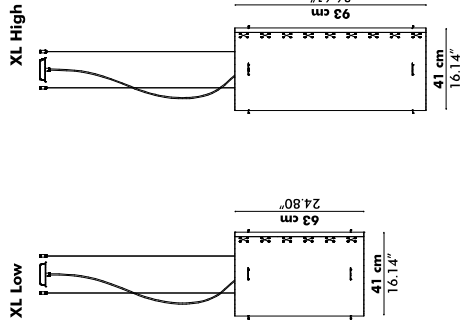

— by Sas Adriaenssens

### Atmospheric lighting solution

The classic BuzziLight, which blends illumination and acoustics, is now available in Alhambra and Royal patterns from the award-winning Buzzifalls collection. Laser-cut felts make a dramatic statement with artful shadows and softened sounds. BuzziLight is the perfect design statement and acoustical solution for offices, restaurants, hotels, institutions, residences and more. It is CE and US listed.
