

VISU TUBE BASE CHAIR

FURNITURE / LIGHTING / ACCESSORIES

PRODUCT FACT SHEET

MIKA TOLVANEN ON THE DESIGN "The task was to create a personal interpretation of the ever-relevant plywood chair. I wanted my chair to have an unobtrusive and timeless nature that is familiar but never boring and without sacrificing function or ergonomics. Designing a family of chairs, visually related but for different functions, was an interactive and thorough process lasting nearly two years. In the end, I think every detail is exactly as it is supposed to be."

PROCESS

Shell is form pressed from wood veneer, then lacquered. The steel tube base is CNC-bent and powder-coated (coloured version) or in brushed steel finish (chrome version).

DESIGNED BY / YEAR OF DESIGN

Mika Tolvanen / 2014

TYPE

Chair

DESCRIPTION

Stackable chair for private and contract interiors available in a three colours. Visu is also available with sled base or wood base. Up to 15 chairs can be stacked together.

ENVIRONMENT

Indoor

DIMENSIONS (CM)
