YAN can be personalized to an individual office needs.
An accessible array of colors and materials helps to add character
to the whole office or to a selected area. Arranging an office
with different panels add distinctive style to the office space design.

YAN_C

YAN promotes simplicity combined with a great variety and choice.
Apart from many different styled panels, legs and storages there are different solutions for cable management.
Combine vertical and horizontal cable organizer options to create a hassle free workspace environment.
Each solution is universal for different YAN styles.
