YAN can be personalized to an individual office needs. An accessible array of colors and materials helps to add character to the whole office or to a selected area. Arranging an office with different panels add distinctive style to the office space design.

# YAN\_C

YAN promotes simplicity combined with a great variety and choice. Apart from many different styled panels, legs and storages there are different solutions for cable management. Combine vertical and horizontal cable organizer options to create a hassle free workspace environment. Each solution is universal for different YAN styles.

Elegant mediabox provides access to a power supply.  
It can be used in desk tops and conference tables.
