

Alpa

**A form inspired by the majestic mountain range –
Alpa reception desk is catching everyone's eyes.**

Being simultaneously classical and luxurious, it gains guests' attention and makes for an atmosphere of comfort and trust. High gloss front and timeless colours delight with their severity, which is additionally emphasized by an illuminated metal kick plate. A glass

reception is conjoining aesthetics with functionality. A modular construction allows creating various straight and corner sets. By employing a low module segment with an overhang top, the reception can ease communication with disabled customers. Thanks to these features Alpa is fulfilling requirements of different types of spaces: from small receptions to vast lobbies.
